HOME SWEET HOME

We're on to
part 2 now :D

THERE ARE 5 SECTIONS:

- Be Our Guest
- Sparkle and shine (tonight)
- Odd-jobs and fixer-uppers
- Safe and sound
- Greenfingers

PARTY TIME

Together we're going to plan our own tea parties that we'll all run at the same time on Tuesday 26 May 2020.

Over the next few weeks we're going to create decorations, clean and tidy and do about other things we might need to do in order to prepare.

HOW CLEAN IS YOUR HOME?

Choose a room in your home:

- 1) Dust the surfaces
- 2) Sweep the floor
- 3) Hoover a carpet

LAUNDRY DAY

Help to sort the laundry into different washes; should you put a red sock in a white wash? When your family do the next wash - see if you can help, what things do you need to put in with the dirty clothes?

Have a go at hanging clothes on a washing line or on an airer

FOOD FOR THOUGHT

Plan the food for your tea party...

Is it a balance of different food groups?

You'll need to help make your food for your tea party.

TAKE HOME CHALLENGES

Other things you can do:

- Make your bed every day for at least a week
- Sort your family's rubbish and recycling (this will count to your recycling badge)
- Help to wash up or load the dishwasher
- Help to change your bed sheets, is it hard to put on a duvet cover?

NEXT WEEK: ODD-JOBS AND FIXER-UPPERS

Learn how to change batteries - and how to dispose of them safely

Think about saving energy

Spotting dangers

Learn about different tools and how to use them
