

4th North Heath Rainbows goes virtual

A Warm Welcome & Ready, Set, Recycle

A Warm welcome

Someone new is joining your Rainbow unit next week! She's excited to be a Rainbow but isn't sure what that really means. She's looking forward to meeting everyone, but is very nervous that she won't make any friends.

What could you do?

To make a new Rainbow feel welcome?

Draw around your foot

Decorate your footprint with how you would welcome another Rainbow to your unit.

Draw symbols and positive words.

For example, you could put a smiley face on the toes, as the first thing you would do is welcome her with a smile.
