

We're starting our network stage 1 badge this week. There are 5 activities to complete and you need to complete ALL 5 activities to get the badge. The activities for the badge are shared over the next two pages, complete the activity and share the evidence required.

Work with someone else in your family to **make a shaker**, we'd suggest using a bottle and some rice or pasta.

send us a picture of your shaker

It's time to **be brave** and do something that's a bit scary. Maybe it's acting, or dancing or singing. What do you find scary?

Have a go performing something to your family, although it might seem a bit scary, it's always good to have a go and see if you can do it!! What did you do?

What's the last thing you learned ?

It's time to play a game and **discover** something new about your friends or family. Ask them lots of question, but they can only answer yes or no!! Can you find out 5 new things?

6, 13 OCTOBER 2020

Fancy **building** a **robot**? Design a robot where each part works together, just like in a **team**. Can you now make it out of different materials?

We're going to look at our relationships. Using the chart below match up what relationship you have with people.

Don't know very well

Know quite well

Really close to

- Mummy or Daddy
- Grandparents
- Teacher
- Postman
- Rainbow Leaders
