

# Accessing the learning platform and completing A Safe Space

## GO Access

To start with you need to make sure you have your GO access set up. This access enables you to check your contact details, marketing preferences, emergency contact information and more. It's really important to have this access.

To get access head to: <https://go.girlguiding.org.uk/SignIn?returnUrl=%2F>

Then click on 'Don't have a login'. This will send you an email and enable you to login and check all of your details

The following day you'll be able to take the next steps to login to the learning platform.

## Learning Platform

Head to <https://learning.girlguiding.org.uk/login/index.php>

Click on 'Forgotten your password'. Search for your email address (the same one that's on GO) and this will then send you an email to set up your account for the learning platform. You can now login. Once in - you can check which mandatory learning you need to complete.

## Completing A Safe Space

Once on the learning platform, click on 'My Learning' and then A Safe Space - here you can see the levels you are required to complete and you can click on each level in turn to complete them.
