3:15pm - activities group 5
3:45pm - round up and hand out badges
4pm - home time

Activity Group 3 - MOONS

Just one activity in this group. Girls will be baking moon cakes - they'll do the mixing and getting them ready for the oven. Then a leader will keep an eye on them and bag them up for each girl to take home at the end of the session

Activity Group 5 - ALIENS & ASTRONAUTS

In this group they'll have two more makes
1) Puzzle piece alien
2) Astronaut Jet Packs

Other Notes

We'd need 10+ leaders - 2 running each of the activity groups. Leaders to stay where they are and girls to move.

Girls to have a coloured sticker so leaders know who is in each group.

Badges to be packed and labelled ready to be handed out.

Activity Group 1 - PLANETS

In this group girls will participate in 2 activities
1) Coffee filter planets
2) Earth suncatcher
If they finish both they can play a game of planet toss where they throw bean bags into buckets labelled as the planets.

Activity Group 2 - STARS

Just one activity in this group. Girls will be making a star themed mobile. They'll start by tying their sticks together into a cross and then attach a variety of lengths of thread and space themed shapes.

Activity Group 4 - ROCKETS

This group will be making straw rockets and we'll be able to complete 'Blast Off' UMA. They'll also make a toilet tube rocket.
